

## Bid Evaluation

Need help organizing your bid responses? Evaluate bids online and easily export data for further analysis with SourceSuite's Bid Evaluation feature. Use this feature in tandem with the Electronic Bid Submission and Quote and Line Item Purchasing features to create a robust, comprehensive and efficient procurement process. Vendor bids are automatically evaluated, ranked and listed according to your requirements for easy viewing of each submission element. Cost and spend data can be easily formatted into tables and exported for reporting and auditing purposes.

### FEATURES

- // Bids are automatically ranked by amount
- // Visualize submissions by item, value or contractor
- // Generate actionable cost and spend data
- // Support awarding per item to multiple suppliers

### BENEFITS

- // Easy price comparison and cost analysis, saving time
- // Central location for all electronic bid information
- // Integrates seamlessly with other SourceSuite features for valuable efficiency gains
- // Easy to export bid information offline for further evaluation and analysis

### HIGHLIGHTS

- // Elimination of manual processes within supplier and bid management
- // Transparent bidding process with full audit reports.
- // Configurable e-procurement solution to meet your organization's needs
- // Electronic document distribution and bid submission
- // Compliance with procurement guidelines

"The purchasing solution is set up to change with us, they are really in tune to what our needs are and I give them compliments for addressing the changing times and new agencies that come on. The service is really easy to look at, it's great to use, the vendors love it and it represents New Mexico well."

Tammy Brisco West  
Purchasing Director, Chaves County
